

GOD'S WORKMANSHIP

Ephesians 2:10

1. What is the difference between God's grace and man works when it comes to salvation and God's love and forgiveness?
2. Do you ever think about your life not being totally your own? How does this differ from the cultural emphasis on the "American dream"?
3. In what areas are you an "Identity Thief"? Where and when are you a "poser"?
4. In what situations have you acted outwardly denying who Christ says you are inwardly? What did you do or not do to deny your identity "in Christ"? Why?
